Vira Vovk / Vira Vovk

Ішла усміхнена, погожа,  
Ishla usmikhnena, pohozha,  
She walked smiling, pure,

Втомилась шепотом трави:  
Vtomylas' shepotom travy:  
Tired by the whispering of the grass:

Заснула в зіллі Мати Божа;  
Zasnula v z'ill'i Maty Bozha;  
Fell asleep in the herbs the Mother of God;

Зійшли роменом рукави.  
Z'ijshly romenom rukavy.  
Were covered in daisies her sleeves.

Співати станули тополі  
Spivaty stanuly topol'i  
To sing began the poplars

І розливатися ставки,  
I rozlyvatysja stavky,  
And began to spill over ponds,

Зворушені, бо серед поля  
Zvorushen'i, bo sered polja  
They were Moved, for in the middle of the field

Розквітли маком уставки.  
Rozkvitly makom ustavky.  
Bloomed with poppies her sleeves.
